Name	CCID	Lab Section

Lab Report

The Pre-lab will be collected at the beginning of the class period so please make sure that you have it completed before your scheduled lab section.

- Pre-lab at the beginning of the lab period (10 Marks)

The following is what you are expected to hand-in approximately one week after completion of the lab, check eClass for the exact time and date. All reports need to be submitted to the appropriate link on eClass. You only have to hand-in one copy per group. Please have your pages in a single pdf file in the following order:

- Use a scanned/picture of this completed page as your cover sheet. Make sure your names, CCID's and lab section are visible in the table above and that you have the required signatures below. (15 marks)
- The completed result sheet including all your measurements and the created plots. (45 marks)
- The answers to the questions. (30 marks)
